December 6, 2021

**Work to improve the safety of Stautw Road continues into December.**

**Construction Progress:** Installation of new sanitary sewer pipes and watermain on Stautw Road from the Cemetery to Church Road is now complete. Crew will continue with the watermain installation from Church Road to Jimmy Road in December. The following is the updated construction schedule:

**\* Potholes will be repaired on an ongoing basis!**

### **Temporary Construction Traffic Management**

Westbound traffic will be detoured to Mt. Newton Cross Road via Jimmy Road. Construction and detour warning signs will be in place. Please refer to the following map for direction of detour traffic flow.

**\*Please slow down along the detour and the construction zone.**

**Thank you for your continual patience and cooperation with the temporary road closure and detour.**

## LANDS DEPARTMENT - STAFF INTRODUCTIONS

**Casey Dick-Wyatt**

## Lands Manager

**Kalhwá7acw!** (Hello, how are you?) I hope this message finds you well. My name is Casey Dick-Wyatt and I am the Lands Manager for Tsawout First Nation. I am from the Lil'wat Nation which is a part of the Stl'atl'imx Nation in the BC interior.

I began working at Tsawout First Nation in January 2020 as the Lands Officer and moved into the Manager role in September 2021. I came to Tsawout with Lands and Resources experience in working with my own Nation, addressing community member needs for strategic land use and environment protection. In my previous role, I found my professional growth limited and wanted to continue to grow within this field, as Lands Administration is where I can use my education and work experience with my shared interest for Indigenous title and rights protection and community development.

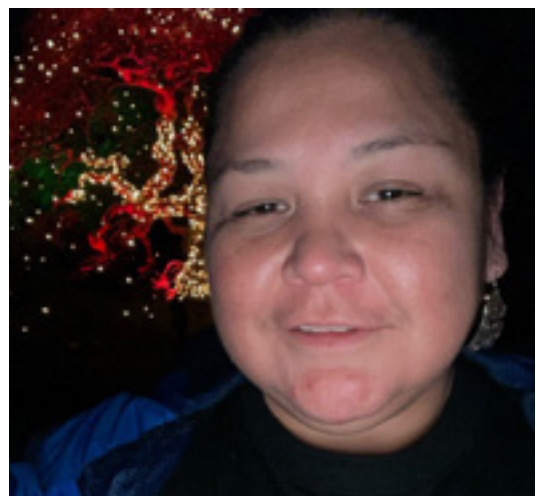

I thoroughly enjoy working in Tsawout and meeting the community members and helping those with reserve lands inquiries. In my role as Lands Officer, I learned a lot from research, meeting community members and leadership guidance; what is important to Tsawout and community vision of what direction Tsawout wants to go. I look forward to continuing to learn more and working together with the guidance of the very knowledgeable Lands Management Committee, leadership, the greater community, and staff for the future of Tsawout community.

**SHANNON L PELKEY**

*Lands Clerk*

İY ƳĖĆĬĬ, My name is Shannon L Pelkey and I am happy to be the new Lands Clerk at Tsawout First Nation. I am excited to be entering back into the workforce after nine wonderful years as a stay-at-home mom to my four beautiful children. I am grateful to be able to work in my own community and look forward to learning as much as I can and helping my community.
