6. If they proceed directly to the Equifax Enrollment Page (<https://www.consumer.equifax.ca/en/activate>), it will look like this:

The screenshot shows the Equifax website's enrollment page for breach access code activation. The page has a dark blue background with white text. At the top, there is a navigation bar with "Personal" and "Business" tabs, and a "Login" button. Below the navigation bar, the page title is "Activate Breach Access Code". The main heading is "Get started with your FREE Equifax Product". Below this, there is an important note: "IMPORTANT: If you're using a VPN, please turn it off before you enter your activation code." The page asks the user to select from two options: "I am an existing myEquifax user and want to use my existing account" (selected) and "I am new to myEquifax and need to create an account". Below the options, there is a text input field for the activation code, which is currently empty. At the bottom, there is a "Submit" button and a reCAPTCHA verification area.
